**ORDER OF DETENTION PENDING
SUPERVISED RELEASE HEARING**

v.

Willie Moore /
Defendant

Case Number: 03-80721

In accordance with the Bail Reform Act, 18 U.S.C. §3142(f), a detention hearing has been held. I conclude that the following facts require the detention of the defendant pending trial in this case.

Part I – Findings of Fact

(1) I find that:

- “ there is probable cause to believe that the defendant has committed an offense
- “ for which a maximum term of imprisonment of ten years or more is prescribed in 21 U.S.C. § 841 or _____;
- “ under 18 U.S.C. § 924(c).

(2) I further find that the defendant has not rebutted the presumption established by finding that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

Alternative Findings

“ I find that the government has established by a preponderance of the evidence that there is a serious risk that the defendant will not appear.

“ I find that the government has established by clear and convincing evidence that there is a serious risk that the defendant will endanger the safety of another person or the community.

Part II – Written Statement of Reasons for Detention

I find that the credible testimony and information submitted at the hearing established the following factors under 18 U.S.C. § 3142(g):

- T** (a) nature of the offense- Supervised Release Violation - multiple claims - arrested on warrant.
- T** (b) weight of the evidence - Strong evidence. Defendant has not reported since August of 2004 - Other clear violations.
- T** (c) history and characteristics of the defendant - No apparent effort to comply with conditions of Supervised Release.
 - T** 1) physical and mental condition - Severe drug addiction with associated medical problems.
 - T** 2) employment, financial, family ties - Has a daughter in the Eastern District of Michigan - no job or financial ties.
 - T** 3) criminal history and record of appearance - No new convictions, but no compliance with conditions of Supervised Release.
- “ (d) probation, parole or bond at time of the alleged offense
- T** (e) danger to another person or community. - Defendant is a danger to himself, and his five grandchildren whom he allegedly provides with childcare while his daughter works. There is strong indication of severe and continuing crack cocaine addiction.

The Probation Department recommends detention pending the hearing. I agree.

Part III – Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or his designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States Marshal for the purpose of an appearance in connection with a court proceeding.
